HRC Ethics Committee sitting as an Appeals Committee

By written notice issued under s25(1)(h)(ii) of the Act on 24 September 2010, the Minister of Health authorised the HRC EC to undertake the additional function of considering appeals against decisions made by the Health and Disability Ethics Committees.

When hearing an appeal, the HRC EC may consult other persons and bodies pursuant to section 25(2) of the Act. Where the Chair or a quorum of HRC EC members believes there is insufficient expertise on the HRC EC to consider an appeal, the HRC EC will seek additional expert advice. Persons and bodies to be consulted under this provision will be identified by the Chair of the HRC EC in

consultation with the HRC EC in order to obtain advice appropriate to the matter under review.
